

Holy Cross CYO 2007-2008

Dear Parents and CYO Members,

We hope you and your family have had a great summer. Our staff is very excited about continuing the Holy Cross CYO instructional, social and service program in 2007-2008.

Young people in their teens face many challenges within themselves and in today's world. Among these personal challenges are the search for identity, how they will form meaningful relationships and what lifestyle choices are to be made. Some of these are easy decisions, while others are much more difficult. It is often hard for God to be squeezed into all the choices, all the relationships, all the questions, all the ups and downs of teen life. Most young people desire a relationship with God, but struggle with how to get started and keep it going.

The Holy Cross CYO program is coming into our 17th year of existence. Each year our number of members tops 100! The purpose of CYO is to help teens to work through some of the questions, to find their place in our faith community and in the world community, and to be nourished through service by a God who loves them.

We have some new and exciting events planned for this year, including service events, adventure trips and great recreational get-togethers. The Parish Picnic and CYO Mum & Pumpkin sale are service projects that are coming up very soon! We ask anyone interested in signing up for CYO to attend 7:00pm Mass with us at Holy Cross Church on Sunday, September 23. Following Mass there will be an informational meeting and refreshments, which will be over approx. 8:30pm. Please fill out the enclosed registration form and bring it with the registration fee to Mass. We hope to see you there!

Yours truly,

Michael Feerst, CYO Director

Holy Cross CYO
2007-2008
Registration Form

Please print all information clearly!

Name _____

Address: _____

Town: _____ Zip Code: _____

Phone: _____
