Today we are celebrating the feast of the Holy Trinity Sunday. The doctrine of three Divine Persons in one God. It is our belief and conviction from Jesus' teaching that the Father, the Son, and the Holy Spirit are all God. However, these three together are Only One God and not three. The Father is God, the Son is God and the Holy Spirit is God. The Church believes that God is one in His nature and three in His persons. It is hard to explain that. It is a mystery of our faith. We cannot fully understand that. In addition, the word Trinity is not found in the Bible, but we have some references: In Matthew when Jesus was about to ascend into Heaven He told His disciples to go to the whole world and preach the good news and baptize them in the name of the Father and of the Son and of the Holy Spirit. As we celebrate the Solemnity of the Most Holy Trinity today, we must pause to reflect on what it means to us a people and Church.
