Jesus Calms the Storm 'Peace, Be Still!'

There is a very important lesson for every one of us in today's gospel story. Our lives are really a journey across the sea of time to the shore of eternity. During that crossing all who come to the use of reason encounter some storms. There is no smooth, calm crossing for anyone. This is the will of God. Our Lord knew that a storm was going to blow up that night in the Sea of Galilee. He allowed his disciples to face that terrifying ordeal, because he wanted his future Church to have confidence in his divine power and assistance, when tribulations and persecutions would seem to be on the point of ending her forever. When times are good, it's easier to trust God. But we should remember that when times are difficult, it's even more important to trust God. When we become afraid or distressed, it is exposing how weak our faith in Jesus is. It shows that we are not trusting Him and His plan, and that He's got this!

Life is not predictable. There will be storms along the way, but God's unchanging character offers us a firm foundation when things feel unsteady and uncertain. Jesus lives inside of us through the Holy Spirit and He will always be with us. He's got this! Let's never forget that.

Instead, we should pray to Jesus: *"Give me the strength, the will, and the way to get through this, and teach me whatever You are trying to teach me through this trial. Thank you for your love of me and protecting me, even in times of trouble!"*
